

STUDENT PROMISE for THE FAMINE

I, _____ , agree to participate
(your name)

in The Famine event (including spending the night at the church) on October 29, 2016 at the Terryville Congregational Church in Terryville, CT. I understand that I will be fasting, or going without food, for 24 hours. I also understand, however, that I will be given popsicles, Jell-O, and/or water during this event. I understand that I am to behave and to participate to the best of my ability in all of the activities of the event, which includes community service projects. I also agree to travel with the adult leaders of the event as a part of a group outing (such as to a service project). I understand that any travel that may occur will happen with the adult leaders, by carpool, and will be only for group events – otherwise I will be staying at the church for the duration of The Famine event. I understand that the church is not responsible for any lost or stolen personal property such as gameboys, ipods, etc. I also understand that if I misbehave and/or do not cooperate, or I am caught with any drugs, alcohol, smoking, etc., my parents/guardians will be called and they must come and remove me from the event. In case of emergency, I agree that my parents/guardians may give the adult leaders of the event permission to take necessary medical action, and I know that my parents/guardians will also be leaving an emergency contact phone number. I understand that the church is not responsible for any loss or injury or medical condition or reaction that happens before, during, or after this event – whether on the church grounds or not on the church grounds. I understand the risk involved in fasting and the connection to my physical health, and that the church is not responsible for reactions. Also, to the best of my knowledge, my physical health is strong enough that I am capable of fasting and participating in these events. I agree not to hold Terryville Congregational Church, its leaders, employees, and/or volunteer staff liable for damages, loss, diseases, or injuries. I understand the possibility of unforeseen hazards and know the inherent possibilities of risk associated with this event.
