I want to start with a huge THANK YOU to everyone who has been so supportive during a wave of deaths that we've experienced recently. You've heard it said that "it comes in threes" but this time it ended up being 7 in less than two weeks! Thank you for all of your help and support to our grieving families. Please continue to keep these families in your prayers:

Dillane Family
Ruquist/Douyard Family
Hanscom/Reek Family
Falkner/Beale Family
Pessino/Marin Family
Wartonick Family
Zalaski Family

We keep wondering if and when we'll get any snow this winter? I moved to Connecticut in the year 2000 and in my 23 years I don't ever remember a winter like this. However, if it does snow -- we are planning a big sledding/sliding party over at Ray & Jeannie Zalaski's house. Even if you don't want to get out in the snow, you can come over and enjoy some indoor food and fellowship. We'll keep you posted about a date, but first we need a big snow storm!

For those of you who don't like snow, we have plenty of other events planned and one thing that has been nice about a snow-less winter is that our events have been able to run according to schedule:

Sat., Feb. 11 - 8am Breakfast and Valentine's Day Card Making at 1st Congregational Church of Plymouth

Fri., Feb. 17 - 6pm Pasta Dinner and the Music of Dean Martin and Frank Sinatra (organized by our Music Committee)

Sun., Feb. 19 - Annual Meeting of the Congregation (after worship, and we will also have lunch after the meeting)

Wed., Feb. 22 - 7pm Ash Wednesday Service - the beginning of the Season of Lent

Sun., Feb. 26 - 12pm Art Class and Lunch with Lori Little

Tues., Feb. 28 - 12:30pm Lenten Lunch at 1st Congregational Church of Plymouth

(After lunch on the 28th: Plymouth church will be hosting a Grief Support Group. If you or someone you know has lost a loved one, you may appreciate attending this meeting for support. This will be an ongoing group; the 28th will be the first meeting).

And coming at the beginning of March... Sat., March 4 is our Annual Chicken BBQ... yum!

February is the month where we transition from the Season of Epiphany to the Season of Lent... we transition from reflecting on Jesus' identity to reflecting on the many sacrifices of Christ that led him in his journey to the cross. How might you make some sacrifices and serve God a little deeper this Season?

See ya in church!

With Christian Love,

Rev Zack

Donations are welcome in the church Narthex or they can be mailed or dropped off at the church office. To date contributions total \$1,074.10. Currently we are researching our options on how to best put the donations to use in our community. We will keep you posted. Thank you!

COFFEE HOUR IS NOT TRIVIAL

A very important part of Sunday worship come, interestingly enough, *after* the worship service, in the fellowship time which follows. This is the *ministry* we call *Coffee Hour*.

By offering coffee, juice, etc. people hang around and it is during that time that significant things can take place. A visitor can be properly welcomed and we begin to build new friendships. It can also be a time for members to connect with each other and share in joyful celebrations or offer support to each other during times of struggle.

We can also connect with “ministry representatives”, that is, members of our various boards and committees. This accomplishes two (2) very important things: 1) it gives each board and committee a chance to “show off” its work by setting up a display and be available to inform people “what you are all about”. A time to brag about your accomplishments, describe your short and long range goals, etc. 2) it gives you an opportunity to “network” and develop interests in your committee and hopefully fill vacant slots that occur or create a list of individuals who may be interested in helping with scheduled projects.

Coffee hour should be viewed as a great seed – planting opportunity rather than a drudgery; a blessing rather than a burden.

Enjoy those coffee hours!!!!

Coffee Hour Instructions

What you need to bring with you:

Package of cookies, cheese and crackers or pastry

Half and Half for coffee and Milk for Tea

Ginger Ale

Fruit Juice

Bag of Ice

Coffee:

You will need to prepare 60 cups of coffee. You should start to percolate it before service starts so it will be ready by the time service is over. Coffee is in a can in the cabinet to the left of the sink. You will need 3 cups of grounds to 60 cups of water (fill to #60 line on large silver percolator). Plug it in and let it brew.

Hot Water

Fill the small silver electric hot water tea pot with water. Plug it in the outlet on the counter in the social hall near the water fountain (make sure pot is pulled out from under cabinets).

Cups

Styrofoam cups should be in the same cabinet with the coffee. Use about 50 for coffee and 10 for tea. Place 25 cups on the left of the coffee hour table and 25 on the right. Place 10 cups on the counter near the hot water tea pot.

Sweeteners, Stirrers and Milk

You need to prepare three containers with a combination of sugar, Sweet N Low, Equal and/or Splenda packets. You will find them on the shelf under the cabinet in the kitchen closest to the small refrigerator. Two containers will go on the coffee hour table. One container will be placed next to the hot water. Pour the milk and half n half just before coffee hour begins. Two pitchers of half n half should be on the coffee hour table (one on each side) and one container of milk should be placed with the hot water. Empty pitchers can be found in the kitchen under the cabinet where the coffee pot is plugged in. Place four spoons on the coffee hour table and one placed with the hot water. Don't forget to put out a basket or container with the tea bags in it.

Cookies, pastry, cheese and crackers

Cookies or other snack items should be placed on a platter and put on the same table as the punch.

Punch/Juice

Use the covered punch/juice dispenser (found on the counter) and empty one container of fruit juice to one half to two thirds of ginger ale. Just before everyone comes down from service, add the bag of ice. Punch cups are located in the upper cabinet all the way to the right of the sink.

Miscellaneous

You should put out napkins on the coffee hour table, the punch table and the counter with the hot water for tea. Please remember to put out a basket for donation.

Supporting 16 open loans - total of 142 supported - \$3,535 loaned
New Loans

Amy – McFarland, WI, USA – Communications

A loan of \$15,000 helps Amy to expand her contracting business to a full-time business with employees.

Amy grew up in McFarland, Wisconsin in a house her father built. She still lives in that house today. Amy has always loved McFarland and the Greater Madison community and has been fortunate for the past 25+ years to work in a way that supports it. She started working for Margaret Larson at her CPA firm in McFarland her senior year of high school. Margaret taught Amy about business and why it was essential to conduct business caring and ethically. Margaret has since passed away, but the lessons learned from her were invaluable and still guide Amy to this day, especially in the sense that if you do good work, success will come, and it will come with respect.

Business Description

ASJ Publishing LLC will continue the work of Amy and her team. When the company they worked for unexpectedly closed with a one-day notice, they knew they wanted to continue to do what they love—produce publications about the people, places, and things that make communities tremendous and promote the local businesses within them. They will replace the publications they created through their former employer with new brands following the same business models because they were not only successful, they were popular and loved. They will focus on Greater Madison, Greater Green Lake, and other Wisconsin communities. There are ample growth opportunities and no limit to what this team can do.

What is the purpose of this loan?

Amy and her team need help to get off the ground. Relationships are established and projects lined up that can begin, but starting funds for staff, rent, and equipment are needed. With projects ready and an experienced team for the work, expectations are to be able to get up and running fairly quickly with the funds requested. The team is prepared to go to work!

This loan is special because it helps a repeat Kiva borrower further develop their business.

If you are interested in more information on Kiva visit their website at [Kiva.org](http://www.kiva.org), view our lender page at <http://www.kiva.org/lender/terryvillecongregati3466> or if you would like to help in deciding our next loan recipient, please contact us!
