PASTOR'S MESSAGE

Dear Members & Friends of TCC:

We are making this a summer newsletter - to cover all of June-July-August.

First: Please note these very important dates:

Confirmation Sunday is June 7; our Annual Church Fair is June 13; Vacation Bible School is July 6-10; Mission Trip is August 1-6; and our Terryville Fair Baked Goods Booth is August 28-30. Also please note that we are switching our summer worship locations - normally we are at our church for July and Plymouth Congregational for August. Please note that this year we will be at Plymouth Congregational for July and at our church for August. (July & August - 9:30am is time of worship).

Also, reminder that I will be on Sabbatical July-August (I will still be attending mission trip in August).

Sabbatical is designed as 4 months of rest after every 8 years of service in ministry. My last Sabbatical was 2016-2017.

For the betterment of the church (and my own schedule), we decided that instead of 4 months consecutive I would take 2 months, 2 summers in a row. So this means 2026 and 2027 will be Sabbatical for July and August.

Sabbatical is designed to be not returning to church for any reason (otherwise one might end up returning for several reasons). Pastor Denise from Plymouth will be on call for pastoral visits and needs, and she will be leading the summer worship services. We will also have additional clergy as back-ups in case Pastor Denise is not available for certain visitations or other pastoral emergencies. Our Secretary, Tracy, will be able to be in touch with me if we have any deaths or any other major news in the life of the church. Our Moderator (Jerry) and Deacons can also be in touch, of course. If any major emergency arises, I will be able to call and talk with those in need - but I am not supposed to return in-person during those two months.

How will I spend my time in July/August? I am planning a lengthy trip to North Carolina to visit my father (and hopefully my sister from Ohio can join me). If my sister cannot make the trip to North Carolina, I will also try to make a trip to visit her in Ohio. I am also planning a major de-cluttering of my house (after raising a current 18 year old and 16 year old, a lot of stuff has accumulated!). In addition to this, I plan to rest; listen to tons of music; go fishing with my boys; do lots of praying and reflecting; take long walks with my puppy; and spend lots of time in the sun (with sunscreen, of course!).

Once I return, I will be looking forward to an exciting year in our church (worship attendance was up for us from 2024 to 2025 - and thus far into 2026) so I am looking to see this continue in 2026-2027. I will continue my volunteer work for our Association/Region (13 churches in our geographic area) as well as continue advising our Southern New England Conference on the Confirmation Retreat Program. A lot of people have asked, "Why do you do so much for the Region/Association?" Out of our 13 churches, I am the pastor with the most longevity, so I get called on a lot to advise and guide - and I am happy to help. I will also continue to organize our regional mission trips (the 2026 trip grew in numbers and churches represented compared to our 2025 trip) as well as other regional collaborations such as guest speakers, youth events, worship events, fellowship events, and educational events. We also now have a person in our region who is organizing one-day service projects in Hartford that our church can join. I will also continue to work with our Terryville/Plymouth clergy to continue supporting our town and be united in ministry and service to the local community.

This summer, reflect on: what prayers do you have for our church? What dreams do you have for our church? How do those prayers and dreams line up to serve and glorify God? What might we do to strengthen our church and its ministries? As we all know, we have been running a deficit budget. How might we continue to grow our church and see that it is supported financially? Many churches in our area have had to transition from a full-time pastor to a part-time pastor; other churches have merged with a neighboring church or churches; and some churches have closed. I think 2026-2027 will be a year for us to dream big, pray hard, and work hard to find ideas and possibilities for the future of our church. We have been exploring renting a portion of the building - but this is only one idea. We need all ideas on the table, along with our prayers, and a fully committed and united congregation to serve and glorify God and to work together to keep our church going strong. I look forward to working with you as I begin my 22nd year at our church.

With God's Love, Rev Zack

COFFEE HOUR IS NOT TRIVIAL

A very important part of Sunday worship come, interestingly enough, *after* the worship service, in the fellowship time which follows. This is the *ministry* we call *Coffee Hour*.

By offering refreshments (coffee, tea, etc.) people hang around and it is during that time that significant things can take place. A visitor can be properly welcomed and we begin to build new friendships. It can also be a time for members to connect with each other and share in joyful celebrations or offer support to each other during times of struggle.

We can also connect with “ministry representatives”, that is, members of our various boards and committees. It gives you an opportunity to “network” and develop interests in your committee and hopefully fill vacant slots that occur or create a list of individuals who may be interested in helping with scheduled projects.

Coffee hour should be viewed as a great seed – planting opportunity rather than a drudgery; a blessing rather than a burden.

Enjoy those coffee hours!!!!

Terryville Congregational Church Coffee Hour Instructions

The following supplies are provided by the church for coffee hour:

Decaf Coffee	Cups
Tea	Napkins
Creamer/Milk	Paper Plates/Plastic Silverware (if necessary)
Sugar	

Coffee:

You will need to prepare 60 cups of coffee. You should start to percolate it before service starts so it will be ready by the time service is over. Coffee is in a can in the cabinet to the left of the sink. You will need 3 cups of grounds to 60 cups of water (fill to #60 line on large silver percolator). Plug it in and let it brew. We usually only brew decaf coffee. However, if we have regular coffee in stock you may choose to make percolate some regular coffee too in a separate coffee maker. The suggested split would be 40 cups of decaf & 20 cups of regular.

Hot Water

Fill the small silver electric hot water tea pot with water. Plug it in the outlet on the counter in the social hall near the water fountain (make sure pot is pulled out from under cabinets).

Cups

Styrofoam cups should be in the same cabinet with the coffee. Use about 50 for coffee and 10 for tea. Place 25 cups on the left of the coffee hour table and 25 on the right. Place 10 cups on the counter near the hot water tea pot.

Sweeteners, Stirrers and Creamer/Milk

You need to prepare three containers with a combination of sugar, Sweet N Low, Equal and/or Splenda packets. You will find them on the shelf under the cabinet in the kitchen closest to the small refrigerator. Two containers will go on the coffee hour table. One container will be placed next to the hot water. Pour the milk and half n half just before coffee hour begins. Two pitchers of half n half should be on the coffee hour table (one on each side) and one container of milk should be placed with the hot water. Empty pitchers can be found in the kitchen under the cabinet where the coffee pot is plugged in. Place four spoons on the coffee hour table and one placed with the hot water. Don't forget to put out a basket or container with the tea bags in it.

****NOTE: THE COMMITTEE OR PERSON(S) HOSTING COFFEE HOUR CAN CHOOSE IF THEY WANT TO PROVIDE SNACKS, JUICE, PUNCH, ETC. WITH THE COFFEE & TEA.****

Instructions for optional snacks, juice, punch, etc.

Cookies, pastry, cheese/crackers, etc.

Cookies or other snack items should be placed on a platter and put on the same table as the punch (if included punch or juice).

Punch (recipe: ginger ale, fruit juice, and ice (the church does not have ice onsite))

Use the enclosed punch/juice dispenser (found on the kitchen counter) and empty one container of fruit juice to one half to two thirds of ginger ale. Just before everyone comes down from service, add the bag of ice. Punch cups are located in the upper cabinet all the way to the right of the sink.

Miscellaneous

You should put out napkins on the coffee hour table, the punch table and the counter with the hot water for tea. Please remember to put out a basket for donations.

New Loans

Breiner Leonardo - Ecuador - Clothing Sales

Breiner Leonardo is 23 years old, single, and studies architecture at a local university. He lives with his parents in Portoviejo, a city known since colonial times as the "City of the Royal Tamarinds" due to the abundance of these fruit trees.

He is an independent, creative, and passionate young man who fights tirelessly to achieve his goals. Despite the difficulties that arise in his life, he does not give up and continues hoping to improve his business so that he can cover his study expenses and support his parents with household expenses. He sells clothing, shoes, and other products. He travels to other countries to buy this merchandise, which he then sells door-to-door. He also uses social media to reach more customers, who increasingly request more of his products.

This loan is to buy shoes, pants, t-shirts, blouses, Bermuda shorts, children's clothing, and other garments. The loan is accompanied by useful, real life business training.
