PASTOR'S MESSAGE

Dear Members & Friends of TCC:

I'm baaaaaccck! I was away on Sabbatical for July & August. I want to thank Pastor Denise for all her work for us while I was away. Also, thank you to our Admin, Tracy, and the many others from our church who "held down the fort."

My time away was relaxing. Unfortunately, I did not make a trip to North Carolina - my younger son was doing summer school to bring up a math grade, so I was helping him. I was also helping my older son who was transitioning colleges — he just moved into UCONN (Storrs) for his sophomore year. It was a full summer between working with my boys and taking some down time. I also was able to go on our regional mission trip which was wonderful — this year we took 49 people on the trip, representing 6 churches in our region. We will do a presentation in church about our trip sometime this fall. In addition, I did preside at two weddings this summer — one in Middletown and one in Litchfield.

As I said in church on my first Sunday back, I did a lot of intentional observing and listening this summer. I was able to attend one of my colleague's churches two times this summer (in Hartland, CT), and I asked a lot of questions about what's working well, what needs to change, what are their hopes for the future, etc. I also did a lot of this curious listening while on the mission trip — we had participants from the Simsbury church, the Hartland church, our church, the Granby church, the East Granby church, and the Avon church. "What's working well at your church? What are you excited about? What kinds of ministry are helping the community? What would you like to see change? What's going on with your youth programming? Have you had any creative fundraisers or how are you getting support for your expenses?" It was a great learning opportunity for me.

I have been named one of the leaders for the Southern New England Confirmation Retreat Program. (I was named this last year, but this year it changed a bit because there is a new staff person leading all youth and young adult ministry for the Conference). I spent some time on the phone and zoom this summer

brainstorming how to keep the Confirmation Retreat programming the thriving thing that it's always been. We are developing a new curriculum for this year, and it will be wonderful. With the future of Silver Lake still up in the air, this year's Confirmation Retreat will be at Prindle Pond in Charlton, MA. (There is also a retreat at Cape Cod, but my job is to run the one that's closer to here).

Speaking of Silver Lake, there will be a vote in late September to see what the future will hold for Silver Lake. The vote will take place at the Southern New England Conference Annual Meeting in Massachusetts. If you'd like to learn more, please be in touch and I can tell you about it. I will say from what I've heard that there are several options on the table that may be able to keep Silver Lake going; and, if none of those options work and Silver Lake has to close, it does not mean that youth programming, winter retreats, or summer camps will end — it just means that those things will take place at a different location. A lot of ideas and conversations are ongoing, but we will know more after that meeting in late September.

I am excited for this year at our church! Our Sunday school will resume September 13 and we will have a baked potato bar after worship. On September 20, we will have our usual worship service and then we will head over to the Plymouth Green for our Annual All Churches Picnic. Last year the picnic had about 130 people, and it was wonderful. (Rain date is September 27).

Please be sure to stay connected with our weekly church emails where we give weekly updates about events at church and in the community. I can't wait to share with you the things I've learned this summer and to continue to worship together, fellowship together, sing together, serve the community together, learn together, and grow together.

See ya in church!

With God's Love,

Rev Zack

During the month of August, Norm and Joan Luba celebrated an incredible milestone—**70 years of marriage!** To make the occasion even more special, they hosted a wonderful family reunion, bringing loved ones together for a memorable time of reconnecting, reminiscing, and celebrating family. Family members traveled from across the country to join in the festivities, including relatives from Dallas, Texas; St. Louis, Missouri; Louisville, Kentucky; and Massachusetts. It was truly a special gathering and a wonderful way to celebrate both their remarkable 70 years together and the bonds of family.

Did you or your family have a special milestone, memorable celebration, or exciting summer adventure that you would like to share in our next newsletter? We would love to hear from you!

COFFEE HOUR IS NOT TRIVIAL

A very important part of Sunday worship come, interestingly enough, *after* the worship service, in the fellowship time which follows. This is the *ministry* we call *Coffee Hour*.

By offering refreshments (coffee, tea, etc.) people hang around and it is during that time that significant things can take place. A visitor can be properly welcomed and we begin to build new friendships. It can also be a time for members to connect with each other and share in joyful celebrations or offer support to each other during times of struggle.

We can also connect with “ministry representatives”, that is, members of our various boards and committees. It gives you an opportunity to “network” and develop interests in your committee and hopefully fill vacant slots that occur or create a list of individuals who may be interested in helping with scheduled projects.

Coffee hour should be viewed as a great seed – planting opportunity rather than a drudgery; a blessing rather than a burden.

Enjoy those coffee hours!!!!

Terryville Congregational Church Coffee Hour Instructions

The following supplies are provided by the church for coffee hour:

Decaf Coffee	Cups
Tea	Napkins
Creamer/Milk	Paper Plates/Plastic Silverware (if necessary)
Sugar	

Coffee:

You will need to prepare 60 cups of coffee. You should start to percolate it before service starts so it will be ready by the time service is over. Coffee is in a can in the cabinet to the left of the sink. You will need 3 cups of grounds to 60 cups of water (fill to #60 line on large silver percolator). Plug it in and let it brew. We usually only brew decaf coffee. However, if we have regular coffee in stock you may choose to make percolate some regular coffee too in a separate coffee maker. The suggested split would be 40 cups of decaf & 20 cups of regular.

Hot Water

Fill the small silver electric hot water tea pot with water. Plug it in the outlet on the counter in the social hall near the water fountain (make sure pot is pulled out from under cabinets).

Cups

Styrofoam cups should be in the same cabinet with the coffee. Use about 50 for coffee and 10 for tea. Place 25 cups on the left of the coffee hour table and 25 on the right. Place 10 cups on the counter near the hot water tea pot.

Sweeteners, Stirrers and Creamer/Milk

You need to prepare three containers with a combination of sugar, Sweet N Low, Equal and/or Splenda packets. You will find them on the shelf under the cabinet in the kitchen closest to the small refrigerator. Two containers will go on the coffee hour table. One container will be placed next to the hot water. Pour the milk and half n half just before coffee hour begins. Two pitchers of half n half should be on the coffee hour table (one on each side) and one container of milk should be placed with the hot water. Empty pitchers can be found in the kitchen under the cabinet where the coffee pot is plugged in. Place four spoons on the coffee hour table and one placed with the hot water. Don't forget to put out a basket or container with the tea bags in it.

****NOTE: THE COMMITTEE OR PERSON(S) HOSTING COFFEE HOUR CAN CHOOSE IF THEY WANT TO PROVIDE SNACKS, JUICE, PUNCH, ETC. WITH THE COFFEE & TEA.****

Instructions for optional snacks, juice, punch, etc.

Cookies, pastry, cheese/crackers, etc.

Cookies or other snack items should be placed on a platter and put on the same table as the punch (if included punch or juice).

Punch (recipe: ginger ale, fruit juice, and ice (the church does not have ice onsite))

Use the enclosed punch/juice dispenser (found on the kitchen counter) and empty one container of fruit juice to one half to two thirds of ginger ale. Just before everyone comes down from service, add the bag of ice. Punch cups are located in the upper cabinet all the way to the right of the sink.

Miscellaneous

You should put out napkins on the coffee hour table, the punch table and the counter with the hot water for tea. Please remember to put out a basket for donations.

New Loans

Santos – Nicaragua – Farming

This loan is special because it empowers farmers to diversify, and stabilize their families' sources of income.

Santos is a farmer deeply dedicated to cultivating staple grains, currently planting two manzanas [approximately 3.4 acres] of beans and two manzanas [approximately 3.4 acres] of corn. To strengthen his production and ensure a successful harvest, he is requesting a loan. This investment is essential to acquire the necessary inputs that will optimize his performance in the field.

With this financing, Santos hopes to increase his agricultural production and improve his family's quality of life. His commitment to agriculture and his efforts to cultivate sustainably reflect his desire to contribute to the development of his community, generating a positive impact on his environment.
